

SPORTS FESTIVALS 2024

GENERAL INFORMATION

Dear Sports Administrators and Coaches,

Thank you for your interest in our Sports Festivals. Please find general information below which pertains to all the events.

Ethos and atmosphere:

We are committed to encouraging an impeccable standard of sportsmanship on and off the field or court. We invite all our visiting teams to enter into this spirit and extend this request to all parents who might be visiting and supporting.

Accommodation:

I am available to help you find the perfect spot at a great special rate, and then you can either deal with the accommodation establishment to book directly, or I can work out an all-inclusive deal for you. You are also more than welcome to make your own accommodation arrangements.

Our **selected accommodation establishments are suitable for groups**; have all hosted many of our tours in the past and are proven favourites with touring sports teams.

Contact me for an update on what accommodation is still available and I can help match you with a venue that will suit your groups' specific requirements and budget.

Meals:

Breakfast will be included and provided by your accommodation establishment (unless stated/requested otherwise).

Lunches are included in your Festival Fee and provided by various vending vans (salad rolls, boerie rolls, burgers, wraps, cooldrinks & tuck/coffee) at the fields/courts.

Dinners are not included.

Your first evening on tour we host a Welcome dinner (optional) and invite all players & staff to get together at a suitable venue for dinner at R150 per person. This is where we hold the Managers Meeting.

Please allow for dinners this in your school budget. You could order take-aways and either eat at your accommodation or go to the beach for a picnic; or make a booking at one of the many restaurants in town and eat out, or you could plan to shop and have a team/parent braai.

There will be a coffee vendor and tuck shop at the fields/courts, where we hope the parents will support the local vendors for their meals and refreshments.

Provisional fixtures are distributed before your tour and we will discuss and finalise these at the managers meeting when you arrive.
